

MEDIA/SCHOOL WEBSITE PERMISSION FORM 2016-2017

Dear Parents/Guardians: We would like to tell the community about the many positive things taking place in our school. However, we want to strike the right balance between getting our message out and respecting the wishes of parents/guardians who do not want their children photographed, videotaped or their child's name, work or photo displayed on the District, school or classroom websites. Please fill in the following permission form and return it to the school as soon as possible.

Yours truly, Jeff Gervais

Media/District Publications

- I consent to my child being photographed, videotaped, or interviewed and their name and image used in school or district publications and/or media coverage of school related events. *(The practice at KES is to contact parents for consent in addition to this permission)*
- I do **NOT** consent to my child being photographed, videotaped, or interviewed for media purposes

School Website/School-wide Social Media

- I consent to my child's school work (text, videotape, audio, art, etc.), name, and/or photo/image/video image being used on the school web site. *(Please note as normal practice the school will not publish names of students. Most pictures will be group shots - i.e. sports teams)*
- I do **NOT** consent to my child's work, name or photo/image/video image being used on the school web site/School Social Media

Classroom – website/blog/email

- Many teachers have a classroom blog or send updates to families via email, often with pictures. I consent to my child's school work (text, videotape, audio, art, etc.), first name, and/or photo/image/video image being used on a teacher's blog/website or email communication to parents in the class.
- I do **NOT** consent to my child's work, name or photo/image/video image being used on a teachers' blog/website or email communication to parents.

Class Photo/Individual Photo (On Photograph Day)

Every year, a photography company takes an individual picture of each child which parents may purchase, as well as free class photos. *The individual photo is required by the Ministry of Education and is placed in the Ontario student Record (OSR) and uploaded to our Board's database for school use only.* Class photos are distributed to students within each class.

- I do **NOT** consent to my child being part of the class photo (taken on photo day)
